

U+ COMMUNITY VOLUNTEER NEWSLETTER

HAPPY NOVEMBER!

Great news—The YRES x Ignite fair went great! A huge thank you to all volunteers who attended! U+ has some updates to share, such as a new **Volunteer Calendar** and **Scam prevention training**!

UPDATES

NOTICE

Please make sure to check Slack at least once a week. If we notice extended inactivity, we may assume you're no longer interested in volunteering with us.

New U+ Calendar!

We are excited to introduce the U+ Volunteers Google Calendar!

This calendar includes all our **upcoming events** – opportunities where you can attend, volunteer, or get involved.

Subscribe to the calendar [**HERE**](#) so you can stay up to date with everything happening across our programs!

If you see an event you're interested in or want to learn more, don't hesitate to reach out – we'd love to get you involved!

Scam Prevention

The Scam Prevention Training Module is up on Google Classroom! Please take a look at it when you have the time!

We would like to remind everyone to stay vigilant about potential scams. Please remember that no one from U+ will ever ask for personal information through email. We will also never contact you outside program hours. All event communications will always be posted on Slack first. Please forward any suspicious messages to your supervisor straight away.
